Thank you for becoming a Museum Patron. Your contribution at any level is appreciated and your commitment to our mission is to be commended. Your annual contribution will help keep the museum doors open and welcoming families from the community as well as school field trips, home school families, scouting groups and visitors from all across the country. In addition your contribution will put us closer to our goal of a new state-of-the-art museum and educational center, a showplace for all of Southwest Missouri.

Did you know there are less than six museums in the entire nation that are formed upon all of the American Presidents? And one of those is right here in the Ozarks!

Did you know that many school curriculums no longer include education on the framing of our nation and Founding Fathers?

Did you know that museums are the last on the list of most individual's charitable giving; yet they are the most important tool we have for preserving our past and moving it forward for future generations?

Did you know, that we cannot accomplish our goal without your commitment and support?
