SSN/SN:
Request Number: 1-6676738548

Dear Sir or Madam:

Thank you for contacting the National Personnel Records Center.

We have been attempting to verify the veteran's military service from the information that has been provided. We have conducted extensive searches of every records source and alternate records source at this Center; however, we have been unable to locate any information that would help us verify the veteran's military service. We also checked with the Federal Bureau of Investigation (FBI), which is a reliable source of information, but this agency was not able to furnish any data indicating that the veteran served in the U.S. Armed Forces.

For a further search, please furnish us with any papers you may have which may provide additional information about the requested military service, such as military orders, awards, citations and/or military addresses shown on letters mailed home. Unfortunately, without any new data, we will not be able to conduct a further search. We regret that we are unable to provide a more positive response.

If you have questions or comments regarding this response, you may contact us at 314-801-0800 or by mail at the address shown in the letterhead above. If you contact us, please reference the Request Number listed above. If you are a veteran, or a deceased veteran's next of kin, please consider submitting your future requests online by visiting us at <http://vetrecs.archives.gov>.

Sincerely,

KIMBERLY SHULTZ
